Freedom means different things to different people. To many it's just about choice; to others it's simpler - where and when, and with whom.

The Brand-New 2021 Auto-Roller 746 Motorhome gives you all of those choices.

Plus, it presents you with up to 6 comfortable beds wherever and whenever you choose to stop for the night.

Drink your nightcap or morning coffee overlooking Lake Windermere one day and the Brecon Beacons the next. Or take a leisurely drive down to Italy's Lake Como, stopping wherever you fancy on the way – you choose.

We all know that the excitement of travel to new places and meeting new people isn't only about sleeping, although trying to find a room in a village you've reached later than anticipated can be a challenge...

And you don't need to eat out every night or scramble to find a restaurant reservation in a busy town or city (unless you want to, of course). You can chill 'off grid'.

For your ultimate convenience and flexibility, the fully equipped kitchen has an oven with grill, a gas hob and ample storage.

And if the weather isn't great, or you just want to sit back and relax, there's plenty of space to do just that.

This superb Motorhome also has an extravagant U-shaped lounge, fitted with a 32-inch TV, and another 19-inch TV in the spacious dining area.
